- The BIT minor is *only* available to students pursuing a BSBA or BSAcc degree through the Daniels College of Business.
- The minor GPA must be 2.0 or higher to graduate.
- Only grades of “C-” or above may be used in completing minor requirements.
- Any minor course substitutions or waivers for courses must be approved by the ITEC Department Chairperson.

**Business Information Technology (BIT)
Minor Course Requirements 2009-2010**

Information technology is an integral part of developing and executing business strategies, and is increasingly a factor in creating a competitive difference between organizations. Therefore, the availability of highly trained professionals becomes much more important. The development of effective management systems requires an understanding of both management issues and information technology.
